

## **Campbell River Community Action Team Project Coordinator: Contract Opportunity**

The Campbell River Overdose Community Action Team (CAT) Project Coordinator will support the Campbell River Overdose CAT to achieve their strategic priorities by providing coordination and administrative services.

### **About Community Action Teams:**

On December 1, 2017 the Ministry of Mental Health and Addictions launched an Overdose Emergency Response Centre (OERC). The goal of the OERC is to spearhead urgent action at the community level to prevent further opioid deaths and to support people using substances and people struggling with addiction to access supports, treatment and recovery services where appropriate. Community Action Teams (CATs) facilitate collaboration, discussion and decision-making related to the overdose response. The Campbell River CAT will coordinate and communicate local strategies in order to provide a robust response to the needs of those most at risk for overdose.
